Sub: Report of A Certificate Course in Spoken English

Dear Sir,

It gives me great pleasure to report the details of A Certificate Course in Spoken English for the academic year 2021-2022 held in our college during the month of March 2021. The Department of English has conducted a meeting regarding the course and formed the syllabus to meet the needs of the market and academia. The need of the students from rural areas is proficiency in English language. Through this certificate course, it is an effort to give enough exposure to the students. The course has a limitation of 20 students only. The students who responded to the announcement of the course and approached the concerned people have been selected for the course. The participated students were benefited by the training and exposure made available in the course which added to their personality. Time-table, the syllabus and the attendance are enclosed herewith.

The department of English thanks you for granting us to hold the course and encouraging the students and teachers.

Thanking you,

Yours truly
