Chandrabhama Mahavidhyalaya has implemented e-governance for sharing information and to manage human resource efficiently with transparency through participation and accountably from all stakeholders. The Enterprise Resource Planning (ERP) of the HEI is categorized as two major areas like e-administration and e- services. E-administration uses ICT for information process and decision making by the Governing body, head of the institution, IQAC and different committees formed to decentralize the administration. E- Service provides various service facilities. Most of the staff and students use smart phones to utilize the benefits of modern-day technologies available in the field of higher education.
